

- A. Farm animals may be kept on properties according to the following requirements:
1. For each acre, a parcel, or adjacent properties, whether owned or leased, shall be eligible to contain or house farm animals rating one hundred (100) points or prorated for any part thereof.
 - a. Large animals such as horses, ponies, donkeys, mules, llamas and cows require a minimum area of .40 acres: Forty (40) points each.
 - b. Medium animals such as sheep and goats, and other animals of similar size: Twenty (20) points each.
 - c. Small animals such as ducks, chickens, geese, rabbits and turkeys: Four (4) points each.
 - d. Pigs: Forty (40) points each.
 - e. Miniature or pygmy farm animals will have one-half the points of the normal sized species.
 2. The points listed in Subsection A.1 may be decreased by up to one-half subject to approval of a conditional use permit.
 3. Dependent offspring shall not be counted in determining the total number of animals on the parcel(s).
 4. Honeybees, pursuant to the requirements of Title 4, Chapter 11 of the Utah Code.
- B. For multiple properties to be eligible for combined point calculation under Subsection A, the following criteria must be met:
1. The properties shall be owned or leased by the same person or entity.
 2. All properties used for the combined point calculation must be contiguous.
 3. If one or more properties are leased:
 - a. The lease must be in writing and signed by both parties.
 - b. The leased property, in its totality, must be used in some meaningful way by lessee in the keeping of farm animals.
- C. All animals, except bees, must be kept in an area enclosed by a fence or structure sufficient to prevent escape.
- D. Setbacks - Setbacks for all structures shall meet applicable zoning requirements for each parcel, as well as the following requirements, as applicable:
1. No animal shelter, including pens, coops and beehives, may be located less than six (6) feet from any property line or dwelling.
 2. Barns, stables, corrals, or similar structures used to house medium and pygmy animals may not be located less than thirty (30) feet from any neighboring dwelling.
 3. Barns, stables, corrals, or similar structures used to house large animals may not be located less than fifty (50) feet from any neighboring dwelling.
 4. Pens and similar structures used to house pigs may not be located less than one hundred (100) feet from any neighboring dwelling.
 5. An apiary, housing colonies of bees, must be at least six (6) inches above the ground and, if located less than fifteen (15) feet from a property line, a solid six (6) foot vertical barrier running along or near the property line and extending at least four (4) feet beyond the apiary in each direction is required.
- E. To protect the health, safety and welfare of the animals and the public, animal waste, debris, noise, odor, and drainage shall be kept in accordance with usual and customary health standards associated with that type of animal.
- F. Failure to comply with any portion of this section shall invalidate any use specified in this section and shall subject the owner to penalties and/or fines as specified elsewhere in this title.
